

# What AL & Alex liked on our trip..

We really enjoyed the hospitality of Karen and Shirley, they ensured that we were taken care of and did not hesitate to offer any help that we may need. We really enjoyed meeting the other winners and enjoyed the breakfast, lunch and dinner we all had together. The tour of the stadium and the game was really a blast, I know my son really had a great time and wouldn't have missed it for ~~anything~~ <sup>anything</sup>.

What we didn't like about the trip, was not having anything not to like. 😊 I will suggest Football frenzy to everyone and let them know what happens when someone wins and how much fun everyone will have.

Thank you for everything

My name is Hazel Comas. This is just a note to let you know just how much I enjoyed my trip. It was very relaxing. This is <sup>is</sup> my first NFL game in person. I love football but I was just a little disappointed because the Cardinals didn't win. Our welcome to Phoenix was very good. Karen + Shirley is a very good Hostes. If we every win again, I would love to have Karen + Shirley as our hostes. I love meeting new people Frank + Marcella I just love them Mr. Johnson is just so loveable. Victor + Victor Jr. I got a kick out of hearing Victor Sr. saying no Jr. Alfred + Alex was the younget in the group and it was just nice to see how the father bought there son's with them. Neville would have love to bring his daughter but. When he find out he had won he

Call me at work and ask me would I like to go on a date to a NFL Football game in person. I said yes. Right then and there I told my boss I need the time off.

With this being my first NFL game in person the whole experience has been very enjoyable. Meeting the other winners of the Football frenzy and the hospitality of Karen and Shirley was a wonderful time. I wasn't sure what to expect but what I did get was a memorable time. Thanks for the time off a life time.

As one of the Football Frenzy winners to Phoenix, AZ we are almost at a loss for words. First the surprise to have won this wonderful trip, then the outstanding treatment by two fantastic ladies: Karen and Shirley, who could not do enough for us. The whole program was very well planned, and we enjoyed every minute of it. The lodging was exceptional in every way. As first time visitors to Arizona and the desert we can only describe it as "awesome".

We count ourselves blessed to be part of the Air Force family and will continue to support the club and Football Frenzy.

Our thanks and appreciation to all involved in this great program.

Roundtrip airfare from Japan! Lodging – rental car – stadium tour – tailgate party at Jimmy Buffet's Margaritaville, topped off by an NFL game! What more can I say about winning Football Frenzy than it is a truly spectacular lifetime experience made doubly so by being able to share the experience with my son. The planning and assistance provided by Karen and Shirley was magnificent and helped to cement the event into the lifetime – one of a kind – memory my son and I will treasure.

This has been the greatest experience that I ever had. After a fun tailgate party we got to watch an exciting game. Everything that they took us to was delicious plus it was free to the families that won. The help that was there was excellent they helped us get to the game and back and told us about a couple of places to go on our free days. I like Pie.
